\* Fair market value is what a willing buyer would pay a willing seller on the date the item was donated.

Example: Garage sale or thrift store prices.

Listed below are a few websites from various organizations listing a valuation range for certain items. In addition, we have provided the Salvation Army's valuation range on the next page for your convenience. Please note the valuations are presented only as general guidelines. It is the taxpayer's responsibility to document the Fair Market Value (FMV) of each item donated. See IRS Publication 561, 'Determining the Value of Donated Property', for more information.
